Christmas Joy

A number of days ago the country was hit with all kinds of bad weather. It went from rain to ice to snow. People couldn't drive, they stayed in their homes and many were stranded at airports. I was amazed to find that there were some people that turned that "lemon" experience into "lemonade."

Christmas was just around the corner and people at this airport in Texas I'm sure were not very happy. Listen to this video about a group of guys, the Face Vocal Band, as they brought *JOY* to a bad situation.

but found it inspirational)

Quote of the Week

"Christmas began in the heart
of God. It is complete only
when it reaches the heart of
man."

A person commented about what the group did by saying, "I love that you turned what could have been a miserable experience into something joyful for yourselves and many others."

We want you wish you all a Merry Christmas. Thank you for allowing us to share some thoughts with you through Monday Matters each week. Let us all remember the reason for this season. Luke Chapter 2 says, *But the angel said to them, "Do not be afraid; for behold, I bring you good news of great joy which will be for all the people; for today in the city of David there has been born for you a Savior, who is Christ the Lord.*
